Dear Harold:

It was good to talk to you the other day.

I called up the Post about the assassination story and they informed me that the Nation had recently had a piece on the subject and then Look magazine said the same thing.

However, as I told you, someone there is an *at Look* old friend of mine and he suggested that I might just as well let them see it, where it is at the moment.

I am enclosing a note from the Post on the SST article. Remember I thought they would probably have it. It is now with True, as I told you.

Cordially,

Mr. Harold Weisberg
